SATURDAY EVENING, NOVEMBER 19.

**SUDDEN DEATH OF A YOUNG LADY.**—Miss Belle Funkhouser, a young lady of about twenty-two years of age, died at Hagerstown, Md., yesterday evening very suddenly and mysteriously. She had been up town during the afternoon, and returning to the house of her uncle, Mr. Wm. E. Funkhouser, she spoke pleasantly to the members of the family as she passed through the lower part of the house on her way up stairs. After being there some little time, one of the family heard groans. Mrs. Funkhouser at once hurried to the young lady's door, which she found locked. Help was called and the door broken in. Miss Funkhouser was discovered lying across her bed in an unconscious condition. She had all her clothes on with the exception of her skirt. Upon the arrival of a physician efforts were made to restore her to consciousness, but in a few moments she expired. Miss Funkhouser was apparently in good health when she arrived at her uncle's, and laughingly made remarks to several of the neighbors whom she met on her way. The supposition is that her death was caused by an overdose of medicine, which was taken for some purpose unknown. She resided in Luray, Page county, Va., and had been on a visit to her uncle's for the last two weeks. Squire Middendorf held an inquest over the remains.

Dr. Frantzel of Berlin, reporting on the effect of tobacco on the heart, says that smoking will not affect a person for many years, and that then there will suddenly come a trouble of the heart. Common cigars, he says, are not so likely to produce the trouble as the finer cigar.

**Professional Etiquette**  
prevents some doctors from advertising their skill, but we are bound by no such conventional rules and think that if we make a discovery that is of benefit to our fellows, we ought to spread the fact to the whole land. Therefore we cause to be published throughout the land the fact that Dr. R. V. Pierce's "Golden Medical Discovery" is the best known remedy for consumption (scrofula of the lungs) and kindred diseases. Send 10 cents in stamps for Dr. Pierce's complete treatise on consumption, with unsurpassed means of self treatment. Address, World's Dispensary Medical Association, 683 Main street, Buffalo, N. Y.

## Alexandria Gazette.

The GAZETTE is now the oldest paper in

the State, and with few exceptions the old-

est in the country, and its usefulness has

been demonstrated and appreciated during

the EIGHTY-SEVEN YEARS of its existence. In

its columns has always been found a mirror

of passing events, and the careful chron-

cling of the history of what is going on in the

world has ever been its aim. It is always

welcomed in the household, while in the

counting room and workshop it has become

invaluable.

The GAZETTE has better facilities for ob-

taining news than any paper outside of the

national capital. Situated as it is, so close

to the great centre of news, it enjoys daily

the benefit of the Associated Press dis-

patches from every part of the world; hence

its patrons can read from its columns in the

evening what has transpired that day in

every portion of our own domain as well as

from every part of the habitable globe.

Consequently it is an every day occurrence

for the GAZETTE to publish telegrams from

the various European capitals twelve and

fifteen hours earlier than the morning pa-

pers.

The local department furnishes a full and

complete history of everything that occurs

n and near the city, and this feature will,

as ever, receive careful attention.

Correspondence from Washington, Rich-

mond and every section of the State, is pub-

lished regularly, and all events of interest

occurring within the bounds of the Com-

monwealth are to be found in the columns

of the GAZETTE.

The GAZETTE's circulation is steadily in-

creasing, especially among people who con-

sult its advertising columns before purchas-

ing. That this is self-evident may be infer-

red from the fact that a large country edi-

tion—nearly as large as the daily—is sent

all over this section of country three times

a week, and is read by thousands, most of

whom send here or to contiguous cities to

make purchases. The advantages of ad-

vertising in the GAZETTE are, therefore, ap-

parent.

Another feature that serves to make the

GAZETTE a great desideratum with mer-

chants is its afternoon market reports from

New York, Baltimore, Chicago and other

centres.
